Caring and Achieving

3rd May 2024

Dear Parents/Carers,

There have been a few glimmers of hope this week that the warm weather may soon be with us, therefore I am writing with a few notices and a reminder of the activities taking place in school this summer term.

Summer Weather

As the weather improves, please can you ensure that your child attends school wearing suncream every day. They may also bring a bottle of sunscreen with them each day to reapply at lunchtime however, they must be able to do this themselves. Please note that there are suncreams now readily available which offer 8-hours of protection and will therefore ensure your child is safe all day. All children should have a wide-brimmed sunhat and a refillable water bottle to access throughout the day. Please ensure that **all** of your child's items, including jumpers and coats, are clearly labelled with your child's full name. We have a lot of lost property which is all unnamed and so incredibly difficult for us to return to its owners.

Toys

Children are not allowed to bring toys into school. Classes that have 'Show and Tell' should only be bringing unusual and unique items in to show to their class and on the day of 'Show and Tell'.
